

EurikaWax MC-1800

EurikaWax MC-1800 is a microcrystalline wax, with the following properties

Typical properties

Melting Point	76,7 to 87,8 °C
Color Saybolt	+5 Minimum
Oil content	2% Maximum
Flash point	200°C Minimum
Penetration at 25°C	18 Maximum (0,1mm)
UV absorption for applications in foodstuffs	pass
Polynuclear Aromatic Hydro-Carbons	pass
